Attention: Mr. Roberto Reyes**

Dear Roberto,

By the authority of this notification, National Design, Inspection & Associates, Inc., continues the certification of your facility from 06/25/08 thru 6/25/09. It is determined that your facility is capable of and is producing units, which complies with the (ICC) International Code Congress based on the re-certification process initiated by National Design, Inspection & Associates, Inc., (NDI) for construction of units by your company in Apodaca, Mexico.

Sincerely,

**Hugh Elkins
